**Subject: News Coverage and Marketing Information Released by Street Beat, Inc.**

At various times during the course of the out of school programs, representatives from news media will request access to our campus or performance venues to cover our activities. Street Beat allows the news media, outside contracts such as videographers, photographers and in-house marketing staff to report on our activities and events. This includes Street Beat’s ability but is not limited to updating our website, e-mail blasts, YouTube, Facebook and other social media sources. For example, part of Street Beat’s marketing department, we frequently post current photographs, videos and articles pertaining to our accomplishments that are also included in promotional and marketing packages and grant applications.

## PARENT EXPECTATION FORM

- I will do my part to make sure that my student attends the program every day (especially in preparation for performances) and is picked-up by close of business (5:00pm).
- I understand that as a parent I must be supportive of my student and the program by providing time and space for my child to practice their art form.
- I will participate in Street Beat's Monthly Parent Meetings and other activities.
- I will attend and support my student in performances and volunteer at events or field trips when possible.
- I understand that through my support and participation, I am helping to mold my student, give them purpose and position them for success.
- I understand that Street Beat is NOT an after-care program but an out-of-school arts-based program and that my student will be trained in the arts and if qualified will participate in public performances.
- Because the monthly fees are minimal, I expect to cover additional costs associated with performances (ex. costumes, uniforms and other materials necessary for performance).
- I will take this expectation form seriously and be mindful of the expectations.
